

## Place devices

You can select devices from side menu and place them on conveyors

## Start factory

You can start your factory any time by pressing the play button

## Watch

While the factory is running you can see the ice cream cups moving around

## Success

If your factory is able to produce the same ice cream the truck driver asked, you win!

## Find mistakes

### Stop factory

### Rearrange devices

- ↳ Change properties
- ↳ Remove
- ↳ Flip
